March 31, 2020

Dear Parents,

It’s that time of year for us to start looking ahead to the next academic year. We need your help as we begin to plan for the school year 2020 - 2021. Usually we send this paper home in your child’s bookbag, but as we do our part to keep our community safe and healthy in the face of the coronavirus school closure, we have had to adjust how this paper gets delivered to you and returned to us.

Please fill out the bottom portion of this form. Be sure to fill in ALL that apply to you or your child, including your name and phone number, in case the office staff has any questions.

This form can also be found on our website: www.darkeesc.org, under the Preschool tab.

You can return this form either by mailing via USPS, dropping off in the white dropbox at the front entrance of the school building, or by filling it out on line.

Thank you for helping us to plan and prepare for a successful year ahead!

John Maynard
Director

Anthony Wayne Early Childhood Center & Care-A-Lot Early Childhood Center
